

Flower In the Rain

[Jaci Velasquez](#)

You are the one, there's no one else who lifts me up
And gives me water from the well
But there's a hole that seems to drain it all away
And once again I'm left in fear and doubt
When all my strength is crying out So here I am again
Willing to be opened up and broken like a flower in the rain
Tell me what have I to do, to die and then be raised
To reach beyond the pain like a flower in the rain The evil wind, it blows a storm to rock my world
Just when I think I'm safe and warm
I'm led astray far too easily
It's always hard for me to say I'm wrong
Until I know I can't go on So here I am again
Willing to be opened up and broken like a flower in the rain
Tell me what have I to do, to die and then be raised
To reach beyond the pain like a flower in the rain Lord, You have searched me
And know when I sleep and when I rise
You're familiar with all my ways
Even the darkness will shine like the day
When You look into my heart So here I am again
Willing to be opened up and broken like a flower in the rain
Tell me what have I to do, to die and then be raised
To reach beyond the pain like a flower in the rain Like a flower in the rain
