Suffering

SOiL

Well, did you notice what's wrong with me?
No, I can't even breathe
When my head's low it's not with shame
It's from this pain you bringWell, I can feel it again
This loss is slowly crushing meThrough all this pain and suffering
I need you back in my arms
After all this pain and suffering
I want you back in my armsDo you like my frown? I had a smile once
You turned it upside down
Make amends with me, no, I can't even see
The reason behind your needsWell, I can feel it again
This loss is slowly crushing meThrough all this pain and suffering
I need you back in my arms
After all this pain and suffering
I want you back in my armsAll your words follow me
With pain and sorrow
Assuring me for all to say
This pain and sorrowThis loss is slowly crushing me
This loss is slowly crushing me
I want you back in my armsMake it stop
Make it stop
Make it stopThrough all this pain and suffering
I need you back in my arms
After all this pain and suffering
I want you back in my armsThrough all this pain and suffering
I need you back in my arms
After all this pain and suffering
I want you back in my arms
