Walk the Moon

We walk out the cinema
about to go our separate ways and I,
I almost wave goodbye
when you let your hair fall in your face and
I often wonder why the things that I want are so hard to find but
I often fail to see the things I need are right here by my side.Something in the air is giving me bad ideas
Something in the air is giving me crazy thoughts, like...Why don't you stay at mine tonight?
(Why don't you stay at mine tonight?)
Why don't you stay with me and be my sidekick, sidekick?
Do you, do you, do you wanna be my sidekick, sidekick?Keys left hanging in your door
A trail of shoes and winter coats and
We're kissing on that kitchen floor
Friendship up against the ropes
And don't you wonder why
the things that you want are so hard to find?
Well it just occurred to me
the one that I need could be right here by my side.Something in the air is giving me bad ideas
Something in the air is giving me wicked thoughts, likeWhy don't you stay at mine tonight?
(Why don't you stay at mine tonight?)
Why don't you stay with me and be my sidekick, sidekick?
Do you, do you, do you wanna be my sidekick, sidekick?
Do you, do you want to be my sidekick, sidekick?
Do you, do you, do you wanna be my sidekick, sidekick?
Do you want to be my..? [x2]
WOO!
Do you want to be mine?Something in the air is giving me bad ideas
Something in the air is telling me you could be my
Sidekick, sidekick
Do you, do you, do you wanna be my sidekick, sidekick?
Do you, do you want to be my sidekick, sidekick?
If so, come on LET'S GO!!AY AY AY AY! [x2]
