

Total Eclipse of the Heart

One Direction

Niall:

(Turn around)Liam:

Every now and then I get a little bit lonely and
You're never coming roundNiall:

(Turn around)Liam:

Every now and then I get a little bit tired of
Listening to the sound of my tearsNiall:

(Turn around)Liam:

Every now and then I get a little bit nervous that
The best of all the years have gone byNiall:

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

Nial y Louis:

(Turn around, bright eyes)Liam:

Every now and then I fall apartNiall & Louis

(Turn around, bright eyes)Liam:

Every now and then I fall apartAll:

And I need you now tonight and I need you more than ever

And if you only hold me tight We'll be holding on forever

And we'll only be making it right 'cause we'll never

Be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time(Niall: all of the time)All:

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight, forever's gonna start tonight

Forever's gonna start tonightLouis & Liam:

Once upon a time I was falling in love, but now I'm only

Falling apartZayn:

There's nothing I can do... a total eclipse of the heart
