energy 2000 Mix vol. 14

I'm afraid I will never change

It's okay I am not ashamed

I can say that my bed is made

You can bend me, shape me any way You can bend me, shape me any way you want meI maintain, I am not in pain

How I try, not to place the blame

I came late to an early game

You can bend me, shape me any way

You can bend me, shape me any way

You can bend me, shape me any way

You can bend me, shape me any way you want meWhen I was five, I took a dive

When I was ten, I walked again

When I was fifteen, I kept my motor clean

When I was twenty, I got plentyWhen I was twenty-five...

When I was twenty-five...
