

In the Drugs

Low

I was a child
I was on fire
But I stayed alive while all else died
I held my breath
What could I say
And I closed my eyes like marvin gaye
But now I've had enough
It's in the drugs
It's in the drugs
It's in the drugs, ahhh
It's in the drugs you had your plan
A heavy hand
But the weight was more than you could stand
Breaking like dolls
Singing like birds
We always get what we deserve
But now I've had enough
It's in the drugs
It's in the drugs
