Flush

Melvins

I, I'm feeling rot
I'm feeling rotten today
I guess I forgot
I am shot, I'm not okaySo long to pain
So long to games
So long say, goodbyeSomeone tell me why I'm feeling cold inside
Do I wanna, do I wanna die
Someone tell me why it's building up inside
Do I wanna die and kiss it all goodbyeI'm a sinking ship
On a sea of bliss, I'm not okay
I I'm blind to this
Is this just a test to help me seeSo long to you
So long to me
So long say goodbyeSomeone tell me why I'm feeling broke inside
Do I wanna, do I wanna die
Can you tell me why it's building up inside
Do I wanna die, kiss it all goodbyeYou're the reason I would live
I hope that you can give me thisYou're the reasonSo long to pain
So long to games
So long say goodbyeCan you tell me why I'm feeling dead
Do I wanna, do I wanna die
Someone tell why, it's building up inside
Do I wanna die, kiss it all goodbye
