

Golem II: The Bionic Vapour Boy

Mr. Bungle

Golem II: the self-perfecting
Lie-rejecting
Human mind correcting Totem of the living
Self-organized, wrought from the clay
Our king by night, our slave by the day Giga-giga-gilgamesh What do you know?
Watch the human life show
OK let's go O my double
He can pop your bubble
That means trouble Stronger than a lion
Golem II: the bionic paper boy Self-perfecting
World-inspecting
Lie-detecting Our instructions
His induction
Big production Golem II: the bionic puppet boy Giga-gilgamesh
Gigagigagigagiga
Beast of burden Spirit lifting
Master of shape-shifting
Seamless drifting Shining spotlight
Screaming mobs and stage fright
You get it right Building a new zion
Golem II: the bionic vapour boy War-directing
Mind-inspecting
Man-correcting Our instructions
His induction
Big production Golem II: the bionic vapour boy
