Cry For You

Jodeci

Without you baby
I feel worthless
I'm livin on the edgeIt's been an hour
Since you've been gone
And that's too long
So come back homeI can't live without you
So I'll cry for you
Do anything that I can
To feel that touch from your hand
Sorry that I want you
Lady what do I doYou know you're everything I do
Ooh yeah, do what you want me to
I would do anything
Get on my knees for youOoh, baby
What else is there to do
I don't know, I don't know
But I'll cryLady I, will cry for you tonight
Tonight, yeah
Lady I, will cry for you tonight
(Help me out, help me out, yeah)
TonightYou spoil me girl, like a child
When you're not here I can't even smile
I can't think without you
My mind is always with youIt's amazing what you do
To keep me falling in love with you
Girl you all that I know
Where else can I goI say, you know you're everything i do
Ooh wee, do what you want me to
Anything you need from me baby
Get on my knees for youOhh, ooh, ohh
What else is there to do
I don't know, I don't know
But I'll cryLady I, will cry for you tonight
Tonight
Lady I, will cry for you tonight
(Help me out baby, help me out baby, yes)
Tonight
(I don't know what else to say)
(I don't know what else to say)

K-ci help me sing itLady I, will cry for you tonight
(Jojo I'm right here yes I am)
(I will cry for you lady)
Tonight
(Sometimes my pillow gets so wet with tears)
(I don't have no one to call my own)
I want you back babyLady I, will cry for you tonight
Tonight
(Ooh yeah)Baby I'm beggin', baby I'm beggin', beggin' baby
Baby I'm beggin', baby I'm beggin', beggin' baby
