Want You Back In My Life

Teddy Pendergrass

Yesterday, huh
Hey, it could have been forever
Say goodbye, why?
Should have stayed togetherEven now I find
You're always on my mind
And after all we've been through
Baby, it's still youAnd I want you back in my life
It's empty here without you
I want you back in my life
I'm always thinking 'bout youI want you back in my life
Why did I ever doubt you?
Girl, it's been too long
You belong in my life
Feel the chill, still girl, when I'm around you
(Yes, I feel the same)
Could it be we could love the way we used to?
(Yeah, I can feel the flame)Yes, I've seen enough
To know that this is love
Chance, we've got to take it
Girl, we gonna make itAnd I want you back in my life
It's empty here without you
I want you back in my life
I'm always thinking about youI want you back in my life
Why did I ever doubt you?
Girl, it's been too long
(Been too long)
You belong in my life, oh, baby
I want you back in my life
I want you back in my life
(Oh, baby, hey)
I want you back in my life
I want you back in my life
(Been so long since we've been together)I want you back, I want you back
I want you back, I want you back
I want you back, I want you back
(Baby, baby)
Boy, it's been too long
You belong in my lifeI want you back in my life
(It's empty here without you)

I want you back in my life
(I'm always thinking about you)I want you back in my life
(Why did I ever doubt you?)
Boy, it's been too long
You belong in my lifeI want you back in my life
(I want you here with me, baby)
I want you back in my life
(Tired of being alone all by myself)I want you back in my life
(Oh baby, I'm needing you, thinking about you)
Thinking about you
(Thinking about you)
Thinking about you
(Oh, baby)I want you back, I want you back
(So empty here without you)
I want you back, I want you back
(Oh yeah)
I want you back, I want you back
Boy, it's been too long
You belong in my lifeI want you back, I want you back
(I don't know why I ever doubted you)
I want you back, I want you back
(I was a fool to ever leave you, baby)I want you back, I want you back
(Would you come back, would you come back?)
Boy, it's been too long, you belong in my life
(Back in my life, baby)
