

# Capital (It Fails Us Now)

## Gang of Four

The moment I was born I opened my eyes  
I reached out for my credit card  
I know I never did my own suit  
Capital it fails us now come and let us seize the time x2  
On the first day of my life I opened my eyes  
Guess where with superstars surrounded by luxury-eagers  
I need a prison I need a hot fire  
No credit no goods  
Come on back I say  
They say we're bankrupt  
Capital it fails us now come and let us seize the time x2  
Capital it fails us now  
Oh no! I left it in my other suit!  
One day all will be living on credit  
Bankrupt  
I'm still in credit  
One day all men are living on credit
