Unlikely Hero

The Hoosiers

Only love, only love will save us now
Only love will talk me down
You're my unlikely hero
I tried so hard but you won't surrender
I want you to know
I like everybody
But not everybody likes me, oh whoa
My love's not an island
It's the tip of a volcano, oh whoa
I'm alive, I'm alive but only just
I'm alive, no one to trust
Oh, you're my unlikely hero
I tried so hard but you won't surrender
I want you to know
I like everybody
But not everybody likes me, oh whoa
My love's not an island
It's the tip of a volcano, oh whoa
Everybody talks
No one hears
Everybody talks
Unlikely hero
I tried so hard but you won't surrender
I want you to know, oh, oh
I like everybody
But not everybody likes me, oh whoa
My love's not an island
It's the tip of a volcano, oh whoa
I like everybody
Not everybody likes me, oh whoa
My love's not an island
It's the tip of a volcano, oh whoa
Only love, only love will save us now
Only love will talk me down
Only love, only love will save us now
Only love will save me now
Only love, only love, only love
Only love, only love, only love
Only love, only love, only love

Only love, only love, oh, only
