When Tears Fall Down

Heidi Newfield

I know how to hold you
Till the morning sun comes up
I know how to kiss you
Till you just can?t get enough
I know how to draw you in
From across a crowded room
And when you get to me
Boy, I know what to do
I don?t know nothing
?Bout this heartache
I don?t know how to watch
My whole world walk away
You tore me as if I be some waste
So tell me what do I do now
When tears fall down
When tears fall down
Now I hear my lonely voice
Echo off these walls
I listen for the phone
But you don?t ever call
I lay in the bed alone
And still reach out for you
Well, this house ain?t nothing
But a cold and empty truth

Well, I don?t know nothing
?Bout this heartache
I don?t know how to watch
My whole world walk away
You tore me as if I be some waste
So tell me what do I do now
When tears fall down
When tears fall down
I do not like this place
It?s got me so afraid
This ain?t the promise
That you made to me
I don?t know nothing
?Bout this heartache

I don?t know how to watch
My whole world walk away
You tore me as if I be some waste
So tell me what do I do now
When tears fall down
When tears fall down
Tears fall down, tears fall down
Tears fall down
Tears fall down, tears fall down
Tears fall down
