

S.O.S. (Rescue Me)

Rihanna

La la la, la la la, la la la la la, oh
(You know, I've never felt like this before)

Oh oh

La la la, la la la, la la la la la, oh
(This feeling's like so real)

Oh oh I'm obsessive when just one thought of you comes up

And I'm aggressive, just one thought ain't close enough

You got me stressing, incessantly pressing the issue

Cause every moment gone you know I miss you I'm the question and you're of course the answer

Just hold me close boy cause I'm your tiny dancer

You make me shaken, I'm, never mistaken

But I can't control myself, got me calling out for help S-O-S, please someone help me

It's not healthy for me to feel this

Y-O-U are making this hard

I can't take it, see it don't feel right S-O-S, please someone help me

It's not healthy for me to feel this

Y-O-U are making this hard

You got me tossing and turning can't sleep at night This time please someone come and rescue me

'Cause you on my mind has got me losing it

I'm lost, you got me looking for the rest of me

Love is testing me but still I'm losing it This time please someone come and rescue me

'Cause you on my mind has got me losing it

I'm lost you got me looking for the rest of me

Got the best of me, so now I'm losing it Just your presence and I second guess my sanity

Yes, it's a lesson, it's unfair, you stole my vanity

My tummy's up in knots and when I see ya it gets so hot

My common sense is out the door, can't seem to find the lock S-O-S, please someone help me

It's not healthy for me to feel this

Y-O-U are making this hard

You got me tossing and turning can't sleep at night This time please someone come and rescue me

'Cause you on my mind has got me losing it

I'm lost, you got me looking for the rest of me

Love is testing me but still I'm losing it This time please someone come and rescue me

'Cause you on my mind has got me losing it

I'm lost, you got me looking for the rest of me

Got the best of me, so now I'm losing it Boy, you know you got me feeling open

And boy, your love's enough with words unspoken

I said boy! I'm telling you, you got me open

I don't know what to do, it's true

I'm going crazy over you, I'm begging
S-O-S, please someone help me
It's not healthy for me to feel this
Y-O-U are making this hard
You got me tossing and turning can't sleep at night
This time please someone come and rescue me
Cause you on my mind has got me losing it
I'm lost, you got me looking for the rest of me
Love is testing me but still I'm losing it
This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me looking for the rest of me
Got the best of me, so now I'm losing it
La la la, la la la, la la la la la, oh
Oh oh
La la la, la la la, la la la la la, oh
Oh oh
