Downhearted

John Farnham

I left my heart back in the orient
Down on bali bays
It's not the way that i should feel
But it's the way i'm going to stay
Lonely, lonely
Chasing you all round the world
Wrong way, wrong way
You took a heart, took a heart too young
Downhearted
Broken dreams that never really started
Downhearted
Broken dreams that never really start
It seems all wrong back here at home
There's no end in sight
Should i be made to drag you through
This lovers endless fight
If only, if only
You'd take me as i am

Strong arm, strong charm
You took a heart, took a heart too young
Downhearted
Broken dreams that never really started
Downhearted
Broken dreams that never really start
Sometimes i think that we should stay
Happy on the farm
Sometimes i think that i'll give it all away
This love and all its charm
Downhearted
Broken dreams that never really started
Downhearted
Broken dreams that never really start
