Merry Go Round

The Janedear Girls

Y'all ready for this? I don't think so
Make your merry go round
It's about time that we got this party started
Here come the girls, roll out the red carpet
Once we get goin', ain't nothin' gonna stop it
Giddyup, yeah, giddyup, yeah
Hey, it's okay
We're gonna show 'em how to rock this place
So don't hesitate
You know that you want to, you know that you want to
Shake that what, make your backseat wiggle
Bend those curves to the groove of the fiddle
Slip your hips down to the ground
Make your merry go round, make your merry go round
Throw your hands up, make your headlights shimmy
Slide to the left and to the right with me
Come on girls, you gotta scream it out loud
Make your merry go round, make your merry go round
Make your merry go round
Throw that hat, put your boots on the dance floor
I can shake mine, can you shake, shake, shake yours?
Get your crazy on, yeah, that's cowgirl style
It's gonna get wild, it's gonna get wild
Hey, look that way
Can you see the look on their face?
Those boys can't hardly wait
You know they want us to, yeah, they want us to
Shake that what, make your backseat wiggle
Bend those curves to the groove of the fiddle

Slip your hips down to the ground
Make your merry go round, make your merry go round
Throw your hands up, make your headlights shimmy
Slide to the left and to the right with me
Come on girls, you gotta scream it out loud
Make your merry go round, make your merry go round
Whoa, make your merry go round
Bring the 'hood straight into the woods
With a little bit of city and a Johnny Be Good

It's a hick hop so ya don't stop, 'til you make your heart
When the DJ makes it drop
Shake that what, make your backseat wiggle
Bend those curves to the groove of the fiddle
Slip your hips down to the ground
Make your merry go round, make your merry go
Throw your hands up, make your headlights shimmy
Slide to the left and to the right with me
Kid those cowboys grinnin' out loud
Make your merry go round, make your merry go round
Merry go round
Make your merry go round
Make your merry go round
Make your merry go round
Merry go round
Make your merry go round
Make your merry go round
Make your merry go round
Make your merry go round, yeah
