The Sun Will Rise Again

Rob Rock

You've got to break from the past
You've got to leave it behind you
You know the feeling won't last
Don't let emotions confine youNo matter what we have to face
The sun will shine again
Although the scars will leave a trace
The sun will rise againJust like a killer of time
Don't let depression define you
You've got to make up your mind
Now it's your turn to flyNo matter what we have to face
The sun will shine again
Although the scars will leave a trace
The sun will rise againYou know that life isn't fair
Nobody owes you tomorrow
You're in the pit of despair
Turn the page on your sorrowNo matter what we have to face
The sun will shine again
Although the scars will leave a trace
The sun will rise again
It's time to turn another page
The sun will shine again
Somehow this too shall pass away
The sun will rise again
