Over You

Cassadee Pope

Weatherman said, "It's gonna snow,"
By now I should be used to the cold
Mid-February shouldn't be so scary
It was only December
I still remember the presents, the tree, you and meBut you went away
How dare you?
I miss you
They say I'll be okay
But I'm not going to ever get over youLiving alone, here in this place
I think of you and I'm not afraid
Your favorite records make me feel better
'Cause you sing along with every song
I know you didn't mean to give them to meBut you went away
How dare you?
I miss you, ooh, whoa
They say I'll be okay
But I'm not going to ever get over youIt really sinks in, you know
When I see it in stone'Cause you went away
How dare you?
I miss you, ooh
They say I'll be okay
But I'm not going to ever get over you
Never get over you
