

In God's House

Bat for Lashes

In God's house I do wait
For my love on our wedding day Dewy eyes and lashes long
For my love
Then I'm feeling something's wrong What's this I see?
My baby's hands on a wheel
What's this I see?
Fire
Fire Through this veil they can't see
The fog of death in ?? me Where's my boy?
Why would he lie?
And leave me here in this church to cry? What's this I see?
My baby dying on a beach
What's this I see?
Fire
Fire
Fire
Fire
