

That'll Be the Day

Buddy Holly

Well that'll be the day when you say goodbye
Yeah, yes that'll be the day when you make me cry
You say you're gonna leave me, you know it's a lie
'Cause that'll be the day when I dieWell that'll be the day when you say goodbye
that'll be the day when you make me cry
you say you're gonna leave me, you know it's a lie
'Cause that'll be the day that I dieWell, you gave me all your loving
And all your turtle doving
All your hugs and kisses
And your money too,You know I love you baby
Still you tell me maybe
That someday, well
I'll be throughWell, that'll be the day when you say goodbye
Yeah, yes, that'll be the day when you make me cry
You say you're gonna leave me, you know it's a lie
'Cause that'll be the day when I diewhen cupid shot his dart
He shot it at your heart
So if we'll ever part
And I'll leave youYou kiss and hold me
And you tell me boldly
That some day well
I'll be throughWell, that'll be the day when you say goodbye
that'll be the day when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I dieWell, that'll be the day
Well, that'll be the day
Well, that'll be the day
Well, that'll be the day when I die
