Sad News (feat. Scarface)

Swizz Beatz

[Hook]
Little boy got shot down today
A little boy got shot down today
I hope his family is okay
I hope his family is okay
Is it our race that pay
Is it our race that pay
Is it our race that pay
Is it our race that pay
I hope the whole world be okay
I hope the world will be okay
Get on ya knees and pray
Get on ya knees and pray
We hope the whole world be okay, okay
Okay, okay, okay, okay, okay, okay[Verse 1]
See the story from Houston
From a little boy that was goin to the store
For his mother for some groceries [?]
He had his hoodie on, yea
He had his hoodie on
Mistaken identity for robbery and theft
Man they took that last boy breath
Man they took that last boy breath
The police not guilty, the police not guilty
Even was the wrong ID police still fuckin not guilty
[Hook]
Little boy got shot down today
A little boy got shot down today
I hope his family is okay
I hope his family is okay
Is it our race that pay
Is it our race that pay
Is it our race that pay
Is it our race that pay
I hope the whole world be okay
I hope the world will be okay
Get on ya knees and pray
Get on ya knees and pray
We hope the whole world be okay, okay

Okay, okay, okay, okay, okay, okay[Verse 2]
Shot down for the dope and the dollar sign
I often sit and wonder could this world be mine, nah
I be lying if I said I ain't heard em when they told me I was just a nigga
Nothing but a burden to society
They call the [?]
Wonder why I'm stuck in here reacting to it violently
They hating on me silently [?]
Staring out the back seat of my maybach benz hoe
Like that shit matter, while my homies and my kin folks suffer
Playin jealous hard motherfuckers, wishin they could be you
Envious, see through
I ain't scared of the boogey-man, fuck em
If Trump want war I give to him, gon buck em
America with three K's
Freedom got a shotgun
For all the homies shot down by white boys and not one convicted
Of wrong doing, is it justice we pursuing
Freedom of death, beat em to death, fuck em
I will awake the sleeping giants, with one last word
One last nerve, me and you are not equal
It's not about the flag, change the people[Hook]
Little boy got shot down today
A little boy got shot down today
I hope his family is okay
I hope his family is okay
Is it our race that pay
Is it our race that pay
Is it our race that pay
Is it our race that pay
I hope the whole world be okay
I hope the world will be okay
Get on ya knees and pray
Get on ya knees and pray
We hope the whole world be okay, okay
Okay, okay, okay, okay, okay, okay
