Footsteps

Showaddywaddy

Footsteps,
Footsteps,
Footsteps,
Footsteps.

Why did you say goodbye to me?
Now I'm as lonely as can be.
And as I feel a teardrop fall,
I hear your footsteps down the hall,

Walking away from me -
Why did you say goodbye?
Why did you make me cry?
Now everyday I wonder why, why, why oh why oh,

Footsteps,
Footsteps,
Footsteps,
Footsteps.

You're such a haunting memory.
I pray that you'll come back to me.
But as I say my evening prayer,
I hear your footsteps on the stairs,

Walking away from me -
Why did you say goodbye?
Why did you make me cry?
Now everyday I wonder why, why, why oh why oh,

Footsteps,
Footsteps,
Footsteps,
Footsteps,
