

Looking For Space

John Denver

On the road of experience, I'm trying to find my own way.
Sometimes I wish that I could fly away
When I think that I'm moving, suddenly things stand still
I'm afraid 'cause I think they always will
And I'm looking for space
And to find out who I am
And I'm looking to know and understand
It's a sweet, sweet dream
Sometimes I'm almost there
Sometimes I fly like an eagle
And sometimes I'm deep in despair
All alone in the universe, sometimes that's how it seems
I get lost in the sadness and the screams
Then I look in the center, suddenly everything's clear
I find myself in the sunshine and my dreams
And I'm looking for space
And to find out who I am
And I'm looking to know and understand
It's a sweet, sweet dream
Sometimes I'm almost there
Sometimes I fly like an eagle
And sometimes I'm deep in despair
On the road of experience, join in the living day
If there's an answer, it's just that it's just that way
When you're looking for space
And to find out who you are
When you're looking to try and reach the stars
It's a sweet, sweet, sweet dream
Sometimes I'm almost there
Sometimes I fly like an eagle
But sometimes I'm deep in despair
Sometimes I fly like an eagle,
Like an eagle
I go flying flying
