Let Me Know

Jeffrey Osborne

You come when you want
You take what you need and then you're off
Gone with the wind
I wonder when this will end
When will you stay with me
For more than a day?
Is there a chance
Or am I asking for a little bit too much again?
Is there are a ray of hope?
Is it impossible?
Don't leave me hanging on when
All you have to do is let me know
Let me know what's going on inside of your heart
All you have to do is let me know
Let me know if I should start changing my life, changing my life
Yes, I'm to blame
'Cause I let you have it your way
Is it too late?
Down to the road to heartache
To tell you the truth
Baby, it's left up to you
What will it be
Just say the word and I'll be yours for eternity
Is there a ray of hope?
Give me a yes or no

Don't leave me hanging on when
All you have to do is let me know
Let me know what's going on inside of your heart
All you have to do is let me know
Let me know if I should start changing my life, changing my life
So many nights
I sat alone up and I've cried
I'm real but I did, so many tears
Waiting for you
Not knowing what else to do
But never again, ohh no
Maybe I'm asking for a little bit too much again
I just need a ray of hope

If it's impossible
Don't leave me hanging on, when something's wrong then
Oh, all you have to do is let me know
Let me know what's going on inside of your heart
All you have to do is let me know
Let me know if I should start changing my life
All you have to do is let me know
Let me know what's going on inside of your heart
All you have to do is let me know, baby
All you have to do is let me know
