All The Faint Lights

Steve Moakler

Lies are like stones, they sink in
Pull in the air you're breathing
You can keep it inside
The devil will reside if you let himOur hearts are all barricaded
And the poisons will decorate it
I want to know love
I want to be where you areSo show me the way
I want to be like that
I want to hear you call my name and not look back'Cause all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now it's taking it's toll
I'm waiting for something to set fire
Wake up my soulAll the people are trapped on freeways
With signs that say, "Have it your way"
But we all lost track soon as we got controlSo show me the way
I want to be like that
And I wanna hear you call my name and not look back'Cause all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now it's taking it's toll
I'm waiting for something to set fire
Wake up my soulWhen the weight is on, I feel alone
Trapped inside my flesh and bones
But if I let go of everything
The stars compose a song to singA song for all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now it's taking it's toll
I'm waiting for something to set fire
Wake up my soul
