

Outta My Head

Spiderbait

I should not be out tonight
I should see the morning light
I should know whats wrong or right
I should be at home tonightBut instead
Im going outta my headI should not be out tonight
I should be in bed by 9
I should try to stay inside
I should be at home tonightBut instead
Im going outta my headOoooooh but I feel fine when im with u
Ooooooh yeah I feel fine when im with uI should not be out tonight
I should see the morning light
I should know whats wrong or right
I should be at home tonightI should not be out tonight
I should be in bed by 9
I should try to stay inside
I should be at home tonightBut instead
Im going outta my headBut instead
Im going outta my headOoooooh but I feel fine when im with
