

I Waste My Time

Lawrence Arabia

I waste my time without you
shake it from the vine about you
spill it on the ground, feel sad and then you come home, baby
I can't do any thinking
I'm itching in the kitchen
and I know I'll let you down because I always do that Soon you will be inside
soon I'll be scrambling just to hide that I haven't done anything
I want you to respect me darling
Soon you'll be at the door
keys in your hand and my eyes on the floor
I wanted to impress you darling
I lose my cool about you
a pool of drool without you
Cro-Magnon man's got nothing on me girl, lately
I can't see any purpose
my head's a filthy surface
my arms are long but the only things they reach are useless
Soon you will be inside
soon I'll be scrambling just to hide that I haven't done anything
I want you to respect me darling
Soon you'll be at the door
keys in your hand and my eyes on the floor
I wanted to impress you darling
