

# Let It Go

## Anthem Lights

The snow glows white on a mountain tonight,  
Not a footprint to be seen.  
A kingdom of isolation  
And it looks like I'm a king.  
The wind is howling like the swirling storm inside.  
Couldn't keep it in, heaven knows I've tried.  
Don't let them in, don't let them see.  
Be the good man you always have to be.  
Conceal don't feel , don't let them know,  
Well now they know  
Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway  
It's funny how some distance makes everything seem small  
And the fears that once controlled me can't get to me at all  
It's time to see what I can do,  
To test the limit and break through  
No right, no wrong, no rules for me  
I'm free  
Let it go, let it go  
I'm one with the wind and sky  
Let it go, let it go  
You never see me cry  
Here I stand and here I'll stay  
Let the storm rage on  
The cold never bothered me anyway  
Just a small town girl  
Living in a lonely world  
She took the midnight train  
Going anywhere  
Just a city boy  
Born and raised in South Detroit  
He took the midnight train  
Going anywhere  
Let it go, let it go

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect man is gone  
Here I stand  
In the light and day  
Let the storm rage on,  
Don't stop believing !  
The cold never bothered me anyway
