

Star

The Cult

Yeah, I believe in freedom
Freedom is a vision, her found religion
I humble myself just to get some respect here
Get some respect here
I kiss her sandaled foot
She's my holy pearl
The ghetto in your mind
Is treating her unkind
I kiss her sandaled foot
She's my holy pearl
The ghetto in your mind
Is treating her unkind
Star, I'll reach you if I try
Riot girl, show me the truth, yeah
Star, I'll reach you if I try
Riot girl, show me your truth, yeah
I believe in liberation, won't you liberate me?
Come on and take me, I took no holy vow
Won't you hold this pagan soul?
Pagan soul
I kiss her sandaled foot
She's my holy pearl
The ghetto in your mind
Is treating her unkind

I kiss her sandaled foot
She's my holy pearl
The ghetto in your mind
Is treating her unkind
Star, I'll reach you if I try
Riot girl, show me the truth, yeah
Star, I'll reach you if I try
Riot girl, riot girl, show me your truth, yeah
I believe in freedom
Freedom is a vision
Freedom is a
Freedom is a
Freedom is a vision
Star, I'll reach you if I try

Riot girl, show me the truth, yeah
Star, I'll reach you if I try
Riot girl, show me your truth, yeah
Star, I'll reach you if I try
Show me, show me, show me
Star, I'll reach you if I try
Riot girl, show me your truth, yeah
