

# Each Doorpost

## Uncle Moishy and the Mitzvah Men

I wake up, start my day  
Mode Ani and Iâ€™m on my way  
Thereâ€™s a special thing that I wonâ€™t miss  
The Mezuzah gets a kiss  
In the classrooms thereâ€™s a lot to do  
Learn Mitzvot and have fun too  
Thereâ€™s a special thing that I wonâ€™t miss  
The Mezuzah gets a kiss  
Each, doorpost that I see  
I know that I can reach up and touch the Shem Hashem  
Please, Hashem watch over me  
I know my days will be great and make you proud of me.  
When I visit friends or go to shul  
The pizza shop or the neighbors pool  
There's a special thing that I won't miss  
The Mezuzah gets a kiss  
When you look and you catch sight  
of a Mezuzah on your right  
lift your hand and just do this  
give the Mezuzah a kiss  
Each doorpost that I see  
I know that I can reach up and kiss the Shem Hashem  
Please, Hashem watch over me  
I know my days will be great  
and make you proud of me.
