

Calling All Girls

Queen

Calling all boys, calling all girls
Calling all people on streets
Around the world
Take this message a message for you
This message is old, yeah
This message is true, this message is
This message is, this message is, this message is Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear Some sleepless nights in wait for you
Some foreign presence you feel
Comes seeping through
Some stream of hope
The whole world through
Spread like some silent disease
You'll get yours too
This message is, this message is
This message is, this message is Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear Calling all boys, calling all girls
Calling all boys, calling all girls
Calling all girls...
