

October Song

Bif Naked

If I fall outa my nest
Will you pick me up? Will you help me fly?
If I fall outa my nest,
Will you show me love? If I'm in over my head
Will you pick me up? Will you help me out?
If I'm in over my head
Will you show me love? It's cold, baby
It's cold, baby
I need your love
To get me through this time Lonely October song
I am a bleeding heart
Lonely October song
Help me, I'm falling apart I can't seem to find anyone
Who hasn't fallen, fallen down
I can't seem to find anyone
Unlike a crispy leaf on the ground
There are leaves all around If I'm blind and lose my way
Will you walk with me? Will you help me see?
If I'm blind and lose my way
Will you show me love? If I'm incarcerated
Will you bust me out? Will you set me free?
If I'm incarcerated
Will you show me love? It's cold, baby
It's cold, baby
I need your love
To get me through this time Lonely October song
I am a bleeding heart
Lonely October song
Help me, I'm falling apart I can't seem to find anyone
Who hasn't fallen, fallen down
I can't seem to find anyone
Unlike a crispy leaf on the ground
There are leaves all around If I fall outa my nest
An' if I'm in over my head
If I'm blind and lose my way
If I'm incarcerated It's cold, baby
It's cold, baby
It's cold, baby
It's cold, baby

It's cold, baby
It's cold, baby
It's cold, baby I can't seem to find anyone
Who hasn't fallen, fallen down
I can't seem to find anyone
Unlike a crispy leaf on the ground
There are leaves all around I can't seem to find anyone
Who hasn't fallen, fallen down
I can't seem to find anyone
Unlike a crispy leaf on the ground
There are leaves all around
