

If I Can't Have You

Abraham Mateo

y comenta el tema.

You make my heart beat I want Your body Quiero sentir cada parte que hay en ti now
The way you rock me Is like a party Mi amor por ti no se puede describir no
A mi lado arrimate, girl
Quiero sentirte muy cerca baby
Pasar la noche amándote tonight If i can't have youuuu i don't want nobody,
Don't want nobody, If i can't have youuu
Ya no quiero a nadie no quiero a nadie
Tu eres mi guardián mi agua y mi pan
I know my search is done, done, done
If i can't have youuuu
I don't want nobody no quiero a nadie I want to know you girl let me show you
Que esto es real, jamas me he sentido igual
No girl i confess you you're my obsession
Sabes que hoy me robaste el corazón A mi lado arrimate, girl quiero sentirte muy cerca
Baby pasar la noche amándote tonight
If i can't have youuuu I don't want
Nobody don't want no body
If i can't have youuu ya no quiero a nadie
No quiero a nadie Tu eres mi guardián mi agua y mi pan
I know my search is done, done, done
If i can't have youuuu i don't want no body
No quiero a nadie (If i can't have you) mas allá de tu calor
La vida se acabo (If I can't have you)
Ni a sin ti no quiero amor (If i can't have you)
Aaah yeih If i can't have youuuu aaaah aaaah Tu eres mi guardián mi agua y mi pan
I know my search is done, done, done
Tu eres mi guardián mi agua y mi pan
I know my search is done, done, done If i can't have youuu If i can't have youuu
I don't want nobody no quiero a nadie
