

# Under the Dying Sun

## Burning Point

Despite all the pain  
I have a strong belief  
darkness and rain  
won't bring me down[Pre-chorus]Through fire and water I run  
borrowed time Under the Dying SunI remember the time  
The time of innocence  
a child-like belief  
the faith in god[Pre-chorus][Chorus]Forever I'll try  
through my lifetime  
You won't see me cry  
before the last sunrise'til the end of it all I will fight...I still stand on my own  
last days are passing by  
I have to be strong  
I never let go[Pre-chorus][Chorus]
