

The Enforcer

Vaderbomb

Who wanna play with the Enforcer? Who wanna play with the Enforcer? (Who wanna play?)

Who wanna play with the Enforcer? Who wanna play with the Enforcer?

Who wanna play with the Enforcer? Money like a boss, but I still come off yaFerrari, Lambo, I race it

Bugatti, , I chase it

I be stuntin, dont say shit

Murder, its what I get away with

There'll never be another me, face it

I pick up big bread, its okay bitch

Shawty got everything you can play it

She ain't a bitch like a blonde, just stay with

So brave, your graves ready, tray eight, duct tape, ready

Your times up already

Black mag, body bag, ready, ready, readyWho wanna play with the Enforcer? Who wanna play with the

Enforcer? (Who wanna play?)Crazy, sip, psychotic

Rich, still pushing narcotics

You wanna do, I've done it

Life's going away, I won it

Ex pills, pounds up chronic

Drama, tell me who want it

(incomprehensible) I've done it

They talk about it, they frontin'So brave, your graves ready, tray eight, duct tape, ready

Your times up already

Black mag, body bag, ready, ready, readyWho wanna play with the Enforcer? Who wanna play with the

Enforcer? (Who wanna play?)

Who wanna play with the Enforcer? Who wanna play with the Enforcer?

Who wanna play with the Enforcer? Money like a boss, but I still come off yaThis is how it sounds when Im at

you

This is how it sounds when Im at you

This is how it sounds when Im at you

This is the Enforcer in action

This is how it sounds when Im at you

This is how it sounds when Im at you

This is how it sounds when Im at you

This is how it feels when Im blastingEverything I do something you want to

But you dont do things that I do

Cos, you aint got the heart to do it

You aint got the heart to do it

You aint got the heart to do it

You aint got the heart to do itWho wanna play with the Enforcer? Who wanna play with the Enforcer? (Who

wanna play?)

Who wanna play with the Enforcer? Who wanna play with the Enforcer?

Who wanna play with the Enforcer? Money like a boss, but I still come off ya
Who wanna play with the Enforcer? Who wanna play with the Enforcer?

Who wanna play with the Enforcer? Money like a boss, but I still come off ya
This is how it sounds when Im at you

This is how it sounds when Im at you

This is how it sounds when Im at you

This is the Enforcer in action

This is how it sounds when Im at you

This is how it sounds when Im at you

This is how it sounds when Im at you

This is how it feels when Im blasting

Blasting, blasting, blasting, blasting

Blasting, blasting, blasting, blasting

This is how it feels when I'm blasting
