

Incredible

M Beat & General Levy

Get up
Get down
Radio, video
Boogie with a suitcase
You're livin' in a disco
Forget about the rat race
Let's do the milkshake
Sellin' like a hotcake
Try some buy some
Fee-fi-fo-fum
Talk about, pop musik
Talk about, pop musik
Shoobie doobie do wop
I wanna dedicate this
Pop pop shoo wop
Everybody made it
Shoobie doobie do wop
Infiltrate it
Pop pop shoo wop
Activate it
New York, London, Paris, Munich
Everybody talk about pop musik
Talk about, pop musik
Talk about, pop musik
Pop pop pop pop musik
Singing in the subway
Shuffle with a shoe shine
Fix me a Molotov
I'm on the headline
Wanna be a gun slinger
Don't be a rock singer
Eenie meenie mynie moe
Tell me where you wanna go
Talk about, pop musik
Talk about, pop musik
Shoobie doobie do wop
Lyn' in the tree [unverified]
Pop pop shoo wop
Eenee meenie

Shoobie doobie do wop
Pop pop shoo wop
You know what I mean
Hit it
Now you know what to say
Talk about, pop musik
Pop pop pop pop musik
All around the world
Wherever you are
Dance in the street
Anything you like
Do it in your car
In the middle of the night
La la la la la la la la
La la la la la la la
Dance in the super mart
Dig it in the fast lane
Listen to the countdown
They're playin' our song again
I can't get jumping jack
I wanna hold, get back
Moonlight muzak
Knick knack patty whack
Talk about, pop musik
Talk about, pop musik
Shoobie doobie do wop
It's all around you
Pop pop shoo wop
Gonna surround you
Shoobie doobie do wop
It's all around
Pop pop shoo wop
Hit it
New York, London, Paris, Munich
Everybody talk about pop musik
Talk about, pop musik
Talk about, pop musik
Pop pop pop pop musik
Now listen, talk about
Pop pop pop pop musik
