

Show You How

Q Parker

Lately we've been having the same convo about 2-3 times a week

 Girl I know how much he put you through, now

 Still you trying to play the role so I act like I just don't know

 Every time we speak

 All it takes is just one look at you

 I can see it in your eyes, you haven't been happy in a long time

 Hey, you know, I know you too well for you to try to hide it

 You deserve, baby you deserve the best

 It's a shame that you settle for less,

 So it's about time for me to get something up off my chest

 Baby, oh, I've been holding this back, back, for too damn long

 And you've been holding on to a man that loves you wrong

 Baby, oh, girl let me show you what real love's about

 Give me the chance

 And I'ma show you how, how

 How you're supposed to be loved

 I'ma show you how, how, show you how

Hey, may it put you off guard, but you know that every single word I'm saying is true

 Same way that you know ain't nothing that your boy won't do for you

 Deep down you know I'm right, but you're scared

 and I know it, just too afraid to show it

 I can see it in your eyes, you haven't been happy in a long time

 Yeah, and you know, I know you too well for you to try to hide it, hey

 Baby you deserve the best

 Yeah, and it's a shame that you settle for less

 'bout time for me to get something up off my chest

 Oh, baby, oh, I've been holding this back, back, for too damn long

 And you've been holding on to a man that loves you wrong

 Baby, oh, let me show you what real love's about

 Give me the chance

 And I'ma show you how, how

 How you're supposed to be loved

 I'ma show you how, how, show you how

 Baby when I get at you, should I spell it out for you

 Girl I think it's time that you made a move

 To get out, what you put in it

 Cause love, what I'll be giving,

 My love, from the beginning

 Just say you're with it baby

Oh, I've been holding this back, back, for too damn long
And you've been holding on to a man that loves you wrong
Baby, oh, (so wrong) let me show you what real love's about
 Ima show you how
Baby, oh, I've been holding this back, back, for too damn long
 And you've been holding on to a man that loves you wrong
 Baby, oh, let me show you what real love's about
 Give me the chance
 And I'ma show you how
 I'ma show you how
 And I'ma show you how
