

Cheated (AudioDax Dubstep Remix)

Mike Posner

No one can tell me
That you were right for me girl,
You could have told me
To run a lap around the world All that time, I was hypnotized
While you uh, behind my back
Now my mind keeps me up all night
Why'd you have to say bye like that? I should have cheated on you
I was everything you wanted and more
I should have cheated on you
Nobody told me I was dating a whore I should have cheated, cheated, cheated
I should have cheated, cheated, cheated
I should have cheated, cheated, cheated
I should have cheated, cheated, cheated My friends should have told me
You weren't the one for me girl
(You weren't the one for me girl)
Cause you almost sold me
I bought a rock for you girl
(I bought a rock)
All that time, I was hypnotized
While you uh, behind my back
Now my mind keeps me up all night
Why'd you have to say bye like that? I should have cheated on you
I was everything you wanted and more
I should have cheated on you
Nobody told me I was dating a whore I should have cheated, cheated, cheated
I should have cheated, cheated, cheated
I should have cheated, cheated, cheated
I should have cheated, cheated, cheated
I should have cheated Liar, liar, hey girl
You gon' tell all your friends
That I'm talking about you
I'm talking about you
You gon' tell, you gon' tell
All you friends
That I'm talking about you
I'm talking about you
I'm talking about you
