Nothing

Zug Izland

Got down your instincts
Turn into a freak
You said this was your first timeHow fast changes come
for you to finally see
Shallow place for you to find what you...[Chorus]
There's nothing left
for me on this ride
There's nothing left
with you by my side
There's nothing left
Nooo
Nothing leftStuck in with no way out
A gift for your greed
Shattered your thoughts of a good thing
that you never hadHopelessly knowing
what's right or wrong
Can't stop the feeling
It comes so strong[Chorus]
There's nothing left
for me on this ride
There's nothing left
with you by my side
There's nothing left
NoooObserve nature
from a blacktop view
Left you defenseless
open for defeatBuilt on my fears
Confession of obsession
One day happy place
for you to hide[Chorus]
There's nothing left
for me on this ride
There's nothing left
with you by my side
There's nothing left (no!)
for me on this ride
There's nothing left (for me!)
with you by my side
There's nothing left (no!)

with this ghost by my side
There's nothing left (yea!)
with you in my life
There's nothing leftUh Huh
Nothing left
Nooo
