

Get Mine

Joshi Mizu

1- As long as I get mine
It really don't matter to me
It really don't matter to me
If I give you what I want
 Give me what I want
Hit me off and baby I'm straight
 Repeat 1
 Boy I heard that you're girl
 Thinks that you are the one
 I know she know about me
 And I don't care if she's
 Hating me just as long
 As you keep getting me
Diamond rings and all those things
 That just makes me happy
 Repeat 1(2x)

Tell your girl don't call me
When she finds out that we
 Go on trips, buy me gifts
And all those things that she needs
It ain't my fault that you don't do
 All those things that I do
 He's calling me
He's making you look like the one who's a fool
 Repeat 1 (2x)
I don't wanna hear that you're only for me, oh no
And I, I don't want to be in her shoes, oh no need
 So you just keep satisfying my needs
And I won't interfere with your girl and your world
 And I will be right here
 (As long as I get mine)
 (As long as I get mine)
 Repeat 1 (4x)
