

Sleep Tight

Kesang Marstrand

In the night, in the dark
A dream is like a tiny spark
Of light, much brighter than any light I know
Dreams shine and dreams glow
Here we go
In the night, in the calm
A dream is like
A lovely song
A song
Lovelier than any song i know
Dreams sing, high and low
Here we go
and dreams
they are lovely and bright
In the dark, in the calm, in the night,
So sleep tight
