True Friend

Hannah Montana

We sign our cards and letters BFF You've got a million ways to make me laugh You're lookin' out for me, you've got my back So good to have you aroundYou know the secrets I could never tell And when I'm quiet you break through my shell Don't feel the need to do a rebel vell 'Cause you keep my feet on the groundYou're a true friend You're here till the end You pull me aside when something ain't right Talk with me now and into the night 'Til it's alright again You're a true friendYou don't get angry when I change the plans Somehow you never have a second chance, and Won't say "I told you" when I'm wrong again I'm so lucky that I've foundA true friend You're here till the end You pull me aside when something ain't right Talk with me now and into the night 'Til it's alright againTrue friends will go to the ends of the earth Till they find the things you need Friends hang on through the ups and the downs Cause they've got someone to believe in A true friend You're here till the end You pull me aside when something ain't right Talk with me now and into the night No need to pretend You're a true friendYou're a true friend You're here till the end You pull me aside when something ain't right Talk with me now and into the night 'Til it's alright again You're a true friendYou're a true friend You're a true friend
