

Lola

Mika

People always make me crazy
Love me lots, don't love me maybe
What's the point in singing silly love songs?
Who they think they are to tell us?
Make me sad and make me jealous
Don't believe a word 'cause they are so wrong
Lola, ah aah, Lola, ah aah
Sex and lies and mystery
They don't bring out the best in me
Keep jumping from one lover to another
Thank you for the time you've taken
Cleaning up the mess I've made
Making the same mistake over and over
Lola, I've made up my mind
And I'm not gonna in fall in love this time (x2)
Lola, ah aah, Lola
Why pretend to be so jaded
It's so easy just to hate it
Anyone could love you for a dollar
But when you find your love's for real

You'll beg and borrow, cheat and steal
Tryna' get the money just to call her
Lola, I've made up my mind
And I'm not gonna in fall in love this time (x2)
Like a fish out of water
It picks you up and it spits you out
Why do we even bother
When there's only one way out?
And we both know it, lover
Lola, I've made up my mind
I'm not gonna in fall in love this time (x2)
You could stop it if you try
Love makes you laugh, it makes you cry
The oldest game in history, repeated (x2)
Lola, ah aah
Lola, babe, it's just another love song (x2)
Lola, I've made up my mind
Lola, babe, it's just another love song (x2)
