

# White Sparrows (Demo)

Billy Talent

Today I walked down our old street  
Past the diner where we'd meet  
Now I dine alone in our old seats  
The cold wind blows right through my bones  
And I feel like I'm getting old  
But I wish I was getting old with you  
I held your hand when we took shelter from the rain  
She laughed as we picked out our children's names  
White sparrows fell from heaven and carried her away  
Black arrows cut the strings of my heart, I kneel and pray  
Her clothes hang in the closet still  
The phone sits on the windowsill  
And every time it rings it gives me chills  
My heart just stopped when I was told  
Doctor, doctor, on the phone  
Said my love was never coming home  
I hold your casket gently walking to the grave  
Dark clouds eclipse the sun won't shine again  
White sparrows fell from heaven and carried her away  
Black arrows cut the strings of my heart, I kneel and pray  
They gave her one more day  
To say the words I couldn't say  
I'm crying in pain, crying in pain  
And I'm not looking for answers  
No, I'm not looking for answers  
But dear God, why did you choose her?  
White sparrows fell from heaven and carried her away  
Black arrows cut the strings of my heart, I kneel and pray  
They gave her one more day  
To say the words I couldn't say  
I'm crying in pain (crying in pain)  
Crying in pain  
Our love will remain  
I'm crying in pain
