

Undeclared

Audio Adrenaline

Like a band of gypsies we go rolling down the highway
I've come a long way riding with my friends
They stand beside me when the world's not going my way
We may be losers but we're winners in the end We are undefeated and we're still believing
In the one thing that has gotten us this far
And we can't be beaten and we're standing
On shoulders of the ones who went before us
And we're fighting back with love Trouble always finds me everywhere that I go
A cloud above me like a kite upon a string
Here in the valley, the valley I know
There is a mountain top where I can stand and sing We are undefeated and we're still believing
In the one thing that has gotten us this far
And we can't be beaten and we're standing
On shoulders of the ones who went before us
And we're fighting back with Love conquers all
Love conquers all
Love conquers all We are undefeated and we're still believing
In the one thing that has gotten us this far
And we can't be beaten and we're standing
On shoulders of the ones who went before us
And we're fighting back with love Undeclared, fighting back with love
Undeclared, we're fighting back with love
Undeclared, we're fighting back with love
Undeclared, we're fighting back with love
