

Saturday Night Live (feat. Jelly Roll)

Xzibit

Ah, we bout to go this motherfuckin' club tonight, y'knahmean?
Poke some motherfuckin' hoes, y'knahmean?
Make sure them hoes, y'knahmean?
Gon' act accordingly, y'knahmean?
Some nigga over there tryin' to love one hoeY'knahmean? You got one hoe
Nigga you'se a stone motherfuckin' Jackson
Nigga you'se a stony Jackson, you can't fuck with us
So nigga, tuck your tail and hide your hoe niggaWe parked our rides, in front of club
All these niggaz started givin' us love
Sayin' I'm the shit, Xzibit you the shit
Jelly Roll get 'em, can I be for real?It's Strong Arm and Jelly Roll, cool for real
Yeah motherfucker, why don't you just chill
'Cause I'm just coolin' at the spot
Ain't much wrong plus you're makin' it hotI like shinin' from all the grindin'
Girl's best friend, man I'm just like diamonds
I like khakis and Air Force Ones
Gangsters in the hood with them air force gunsWe poppin' them tags, our pockets fat
We fin' to put the world in a shoppin' bag
Nigga X the man, and I'm the man
We tryin' to make you love it, don't you understand?If you're with Strong Arm, you're really down with us
If you get high, then get a blunt and roll it up
Your hood's gon' ride, then let me see you throw it up
If you ready I'm ready see really we don't give a fuckGet'cha ass up if you're really down with us
Girl you ain't cute, get on the floor and move your butt
The bar is open everybody's gettin' drunk
If you're ready I'm ready see really we don't give a fuckAnother night in L.A., the homies all valet
We got it lookin' the dub show in front of the place
Strong Arm plus 75, we so deep we arrive
And then we swarm like you fucked with the hiveGotta look a nigga right in the eyes, to tell the truth from the
lies
Even the strong find it hard to survive
Another day another dollar we can walk on water
Better, drop your tone, you ain't nobody's fatherHotter than about a buck shot your carne asada
X burn down the town like a path of lava
Pathological drama so we got it inside
Is it the wine or the women it's so hard to decideLook alive it's crackin', this is organized street hustlin'
With corporate backin' promotin' interstate traffic
Classic, smash out right
'Cause live from Los Angeles it's Saturday Night'Cause I, can get yo' ass on the floor

'Cause this, is this the funk that you want?
 The hand, it comes way up in the air
 And wave 'em all around like you just don't care
 Bitch, come off of those pots
 Stop, shake that junk in your trunk
 See you, can move this groovy ville shit
 The shake that makes the whole club flip
 If you're with Strong Arm, you're really down with us
 If you get high, then get a blunt and roll it up
 Your hood's gon' ride, then let me see you throw it up
 If you ready I'm ready see really we don't give a fuck
 Get'cha ass up if you're really down with us
 Girl you ain't cute, get on the floor and move your butt
 The bar is open everybody's gettin' drunk
 If you're ready I'm ready see really we don't give a fuck
 You might get shot in the face if you don't stay in your
 place
 You ain't a soldier like me you a fuckin' disgrace
 X move like a shark in the water, I'm dodgin' death and disorder
 I'll get you hit it won't cost me a quarter
 I was sent here to strangle and slaughter in no particular order
 Your big mouth might endanger your daughter
 Another day another digit I'ma speak it and live it
 Better get yourself a gun 'fore you fuck with Xzibit
 Pockets shorter than a midget, you can fuckin' forget it
 X green light the target and easily hit it
 Grab the zone and split it so we smokin' them woods
 Steady givin' niggaz the business and keepin' it hood
 Firearms we packin, this is military mind state
 That's ready for action we mercenaries and assassins
 Blashin', clashin', smash out right
 'Cause live from Los Angeles it's Saturday Night
 Let's hit the club and get it on tonight
 Let's get drunk this is Saturday Night
 Just got paid, shine my chrome up tight
 Time to get it crackin, off the Henn' tonight
 X is here, the gang is here
 Jelly Roll production bangin' crystal clear
 I've been low, now check my highs
 Million dollar niggaz right before yo' eyes
 In Los Angeles, homey, it's Saturday Night
 In Houston, Dogg, it's Saturday Night
 In Miami, mate, it's Saturday Night
 In Atlanta, shorty, it's Saturday Night
 In St. Louis, dirty, it's Saturday Night
 In New Orleans Wodie, yo, it's Saturday Night
 In New York City, yo, it's Saturday Night
 Around the world baby, yo , it's Saturday Night
 On some straight motherfuckin' pimpin' shit, y'knahmean?
