

Sight Unseen (Unseen Power Version)

Petra

Words and music by Bob Hartman

Based on Hebrews 11:6 For so long I was depending upon

My senses and fences, I tried to ride on

And trusting in things that can never be seen

Was always a crutch on which others must lean

Thinking if I could see I would believe

Then somebody said believe and you will see (Chorus)

Sight unseen, sight unseen

You have to take it sight unseen

Blinded by the darkness only faith can come between

Sight unseen, sight unseen Evidence built into every design

Led to conviction between every line

Faith is the key that can open the veil

To Love incarnated and pierced with a nail

Listen my friend, have I got news for you

The nails in His hands and feet were meant for you
