

# I Know (Remix Street) [feat. Youssoupha]

## Irma

I'd like to tell you just a word  
I am so sorry to disturb  
You may be thinking I'm a fool  
I heard you tell 'em don't care  
I heard you think it loud and clear  
It doesn't make me proud of you I know you time is precious  
But give me just a second  
I need to straighten things out with you  
You blew my hopes and dreams away  
And there is not a single day  
I don't fear the worst because of you I know that it's not a dream  
I saw, yeah I saw your scheme  
I know you  
I saw I wonder if there's a justice  
When I look right into your eyes  
Those feelings never lie  
My only weapon is this song  
And you won't have to sing along  
This is the story of my life I know that it's not a dream  
I saw, yeah I saw your scheme  
I know you  
I saw I know I saw I know that it's not a dream  
I saw, yeah I saw your scheme  
I know you  
I saw
