[Intro: Hit-Boy]

I don't know if I won

Got no tree in this bitch, but I'mma find some

Yeah, yeah, get it, get it right, get it

iPhone still on 1 percent

I be getting money, I'll be counting chips

Yeah, look[Verse 1: Hit-Boy]

Tell them boys I'm back with a vengeance

Back for the swag I invented

Niggas trying politic that ain't appealing

V12 kitted, something like a chemist in the kitchen

Really I might pull an Aston up to pitches on you bitches

Paid my pops a visit, paid the block a visit

Attorney fees adding up, my lawyer caught some ticket

Told my accountant I can not cut back on my spending

Cheques clearing, used to shop on Clearance, T.J.Maxx

It's funny how I blow through racks, nigga I can not relax

Inland on the map

[?]

He got caught up pushin' crack, fuckin' bitches skippin' class

Average story of a young black nigga from the neighborhood

[?] nigga say what's good

[?]

Yeah who wants to be a millionaire off a kick and the snare

Got the hot, head rollin'

[?]

Headshots, I ain't talkin' photograph

[?][Hook: Oktane]

Make it flip, make it flip

Yeah yeah

Make it flip, make it flip

You know I make it flip, make it flip

Yeah yeah

Make it flip, make it flip[Verse 2: Price]

Tell 'em hoes I'm back with a vengeance

I need rose pedals at the entrance

My fist high I'm black and with the bidness

I was 6 years old in detention

Okay go head

Hit they must've thought that we was finished damn
