

This One's for You (feat. Glodine)

David Guetta

Mmh... Uh... We're born to fly
So let's keep living till it all falls down
Let's close our eyes
And let the moment drown the whole world out We're in this together
Hear our hearts beat together!
We stand strong together
We're in this forever!
This one's for you!
This one's for you... (yeah yeah, hey) Waving colored flags
We won't surrender, there's no standing down (no standing down)
Love's a playing field (oh no)
It's full of winners, we're breaking new ground We're in this together
Hear our hearts beat together!
We stand strong together
We're in this forever! (forever)
This one's for you!
This one's for you... (ooh yeah yeah, yeah!) In this together
Whoa whoa, whoa whoa!
Uh... We're in this together (we're in this together)
Hear our hearts beat together!
We stand strong together
We're in this forever! (ooh, whoa, yeah) This one's for you
